				Should it be typed and printed out on the tenderer's letterhead PAD? Or should it be printed out directly from the tender document and then filled up by indelible ink? Or should it be typed in MS word and then printed out in A4 size Paper?	
6	-	-	-	Is it required to fill up Section -7 if yes, then how: -Should it be typed and printed out tenderer's letter head PAD? Or should it be printed out directly from the tender document and then fill up by indelible ink? Or should it be typed in MS word and then printed out in A4 size Paper?	There is no such specific provision regarding printing of tender document on Tenderer's letterhead. Tenderer may prepare their bid on their letterhead or can use the same tender document issued by BIFPCL, provided the content must be exactly the same as per tender document and must be duly signed & stamped by the authorized signatory. No deviation/ alteration shall be allowed/ accepted.
7	-	-	-	Power of attorney (Form-3) needs to be printed out on tenderer's letter head PAD & then sign & sealed? Because we are not finding any other format for Power of attorney.	No specific format is given for 'Power of Attorney'. Bidder may furnish the same on their own 'Letterhead'.
8	-	-	-	Section 6: Schedule of requirements/Bill of Quantity format has all 4(four items). We need to know how to fill it up in cases if you do not want to participate for all 4 (four) items? And where to place it Envelope-1 or in envelope-2?	Bidder has to fill up and submit 'Section 6: Schedule of Requirement" and 'Section 7: Technical Specification & Scope of Work" for respective items only, as per their declaration at tender submission letter (technical + Financial Proposal). Regarding Envelopes packing, Bidder may refer ITT Cl.# 21, Cl.# 37.1 & 37.2 read along with TDS Cl.# 5.1 as per which 'Section 6: Schedule of Requirement" shall be packed with 'Financial Bid/Proposal Envelope (i.e. Envelope-2), whereas Section 7: Technical Specification & Scope of Work' shall be packed with 'Technical Bid/Proposal Envelope (i.e. Envelope-1).
